

MIAMI-DADE COUNTY

Fiscal Year 2019 Federal Obligations for FDOT District 6

Section 134 of Title 23, United State Code, requires that an annual listing of projects for which federal funds have been obligated in the preceding year shall be published or otherwise made available by the metropolitan planning organizations for public review.

This report was provided by the Florida Department of Transportation (FDOT) and has the following attributes:

- Formatted in the same manner as the State Transportation Improvement Program.
- Federal obligations are shown by FDOT work program fund code. All federal obligation transactions for a particular fund code for a particular project have been added together to present one amount representing the sum of all these transactions for that fund code for the entire federal fiscal year.
